

## **About the Organization:-**

WeMakeScholars is an organization funded and supported by the Ministry of IT, Government of India under the 'Digital India Campaign'. Our motive is to offer unbiased support to students with international education finance via scholarships and education loans. It is one of the biggest scholarship aggregators globally with more than 26,000 scholarships on the portal and more than 1.5 million students from 190 countries access it every year. For education loans, we work with 10+ banks (public/private) in India/abroad including top banks like State Bank of India. We are a 6-year old startup with a fast-growing team and hence a lot to learn.

**Position title:** Junior Financial Officer

**Role type:** Operations / BD/Finance

**CTC:-** Rs. 3.60,000 LPA which is again categorized into two: Rs. 2.40 LPA (Rs. 20,000) is the fixed part wherein Rs. 1,20,000 LPA is the variable part which is given on a monthly basis based upon your performance.

But, during the probation period of 4 months, the CTC is Rs. 3,24,000 LPA which is again categorized into two: Rs. 2.04 LPA (Rs. 17,000) is the fixed part wherein Rs. 1,20,000 LPA is the variable part which is given on a monthly basis based upon your performance.

## **Roles and responsibilities:**

Your role as a Financial Officer is to be familiar with the underwriting criteria of our partner banks which include SBI, BOB, ICICI, Axis Bank, HDFC, etc. With this knowledge, you will have to discuss with the students to screen the education loan applications, advise them on the documentation and decide upon a suitable bank loan scheme. Also, you should coordinate with your Team Leaders, for smooth processing of the education loan. As the initiative is funded under the Digital India campaign, the primary mode of communication is through phone calls or any digital medium and hence the students need not meet our team face to face.

**Bond:** If selected, you need to work with the organization for at least a 12 months period, as this is the minimum requirement from the govt. body which funds us.
