## THE GLORY OF IIMC

*"Excellence is never an accident; it is the result of high intention, sincere effort, intelligent direction, skillful execution, and the vision to see obstacles as opportunities" - Aristotle*

In the year 1973, a group of visionary leaders came together with a mission to establish a Business Management course in collaboration with Pittsburgh University. Despite their earnest efforts, the plan did not materialize. Faced with this uncertainty, the founders of Vasavi Seva Kendram and Vysya Hostel conceived the idea of an academic institution that would stand as a beacon of knowledge and excellence. With this vision in mind, they registered it as Vasavi Foundation, bringing together distinguished scholars and intellectuals. Their aspiration was to create Indian Institute of Management and Commerce, an institution of national prominence. During this time, Department of Commerce, Osmania University was trying to initiate B.Com. focussing on Law, Accounts, Economics and Mathematics by introducing a three year course B.Com.(Hons.). The members of Vasavi Foundation and Department of Commerce, Osmania University introduced B.Com.(Hons.) through IIMC.

IIMC, an Autonomous institution from the academic year 2025-26, offers B.Com.(Honors, Computer Applications, Business Analytics), B.B.A., B.Sc. (Data Science) M.Com. Our college attained both NAAC A+ accreditation and ISO Certification 21001:2018, that stands as a beacon of academic excellence, quality assurance, and holistic development. These prestigious recognitions validate the institution's commitment to maintaining high educational standards, adopting innovative teaching methodologies, state-of-art infrastructure and fostering an environment conducive to research and professional growth.

The institution integrates modern pedagogical techniques such as Project-based learning, experiential learning through internships and industrial visits. These advanced teaching methodologies foster critical thinking, creativity and problem-solving skills among students, making them industry-ready professionals and responsible global citizens.

A distinguishing feature of this prestigious college is its student-centric approach. The institution prioritizes students' overall development, focusing on academics, co-curricular activities, leadership training and personality enhancement. Various clubs, committees and student-driven initiatives provide platforms for students to hone their skills, participate in competitions, and develop a sense of social responsibility.

*"The roots of education are bitter, but the fruit is sweet."*

## STUDENT TESTIMONIALS

### P. Sai Krishna, B. Com .(CA) III Year

My journey at the Indian Institute of Management and Commerce was a remarkable period of transformation, marked by extensive learning and personal development. Serving as Student Council President and participating in the NSS allowed me to cultivate leadership skills and contribute to my growth. I am, and always will be, an IIMCian.

### Challa Venkata Ravi Kiran, B.Sc. (Mathematics, Statistics, Comp. Science) III Year

My journey at the Indian Institute of Management and Commerce has been a transformative experience, shaping both my technical expertise and leadership skills. The dedicated faculty and comprehensive curriculum have provided me with a strong foundation in programming, database management, and problem-solving. Beyond academics, my roles as Science President, Head of Student Council, Class representative, and club coordinator have enhanced my teamwork, communication, and organizational abilities. Participating in various events, including AI ML presentations, have given me the confidence to excel in my chosen field. IIMC's commitment to excellence has prepared me for both professional challenges and personal growth. I am grateful for the opportunities, mentorship, and support I have received throughout my academic journey, which have positioned me for a successful career in the tech industry.

### Burra Shiva Krishna, B.B.A. III year

Entered as a young individual, leaving as a responsible citizen and a graduate. Applied knowledge leads to growth is a practising principle at IIMC, where academics and personality development of students go hand in hand. I was a young individual when I entered IIMC with blank face and leaving with bunch of memories and career to grow. Management support encouragement for conducting numerous activities events help me adapt life skills. College has owned me as "NARADA MUNI". IIMC definitely transformed me and made me ready to face the practical world. I will always cherish being an IIMCIAN.

### Vaishnavi Muppa Chowdary, B.Com. (Hons.) III Year

IIMC evoked a range of emotions in me. While the beginning was difficult, I eventually cherished this place. This institution instilled the ability to tackle any issue with confidence and positive attitude. In addition to my education, it also refined my ethics. I carry with me a treasure trove of memories from my three years here.

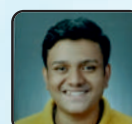

### Basani Shreya, B. Com .(CA) III YEAR

I am very pleased to express my gratitude for the exceptional support I received from the faculty and staff during my three years here. IIMC has played a crucial role in my growth, not just in developing my technical skills, but also in building my abilities in leadership and management. I am certain that the fundamental knowledge and skills I have gained will be extremely beneficial in my future career. I am enthusiastic about the prospects that lie ahead.

### Bhavesh Chavan, III BBA

My experience at the Indian Institute of Management and Commerce (IIMC) has been truly transformative. The college offers an excellent blend of academic rigor and practical exposure, equipping students with industry-relevant skills. The faculty's expertise, combined with interactive learning methods, has significantly enhanced my understanding of business and management concepts.

## NAAC RE-ACCREDITATION

National Assessment and Accreditation Council (NAAC) is an autonomous body funded by the University Grants Commission and headquartered in Bangalore, which assesses and accredits Higher Education Institutions (HEIs). It is an outcome of the recommendations of the National Policy in Education (1986) which laid special emphasis on upholding the quality of higher education in India. NAAC accreditation is generally at the institutional level, assessing the performance based on various parameters categorized into 7 criteria.

NAAC's mandate includes the task of performance evaluation, assessment and accreditation of universities and colleges in the country. The philosophy of NAAC is based on objective and continuous improvement rather than being punitive or judgmental, so that all institutions of higher learning are empowered to maximize their resources, opportunities and capabilities. An institution's "Quality Status" is primarily determined through assessment and accreditation. Higher Education Institutions (HEI) receive accreditation scores when they meet the NAAC quality standards for institutes, colleges and universities.

Indian Institute of Management and Commerce has accredited by NAAC thrice. During the first cycle in 2010, the college has secured 'B'Grade, Second cycle with 'B + +' in 2017 and in third cycle secured 'A + ' grade in 2023.

## INTERNAL QUALITY ASSURANCE CELL (IQAC)

Internal Quality Assurance Cell (IQAC) develops a system for conscious, consistent and catalytic improvement in the overall performance of the institution. It channelizes all the efforts and measures of the institution towards promoting holistic academic excellence. It ushers the quality enhancement by working out planned strategies to enhance the quality of the institution.

It facilitates the creation of learner – centric environment, conducive to quality education and faculty progression to adopt the required knowledge and technology for participating in teaching and learning process. It is a nodal agency of the institution which coordinates quality related activities & adopts best practices. It organizes curricular, co-curricular and extracurricular activities on quality based themes. It provides a sound basis for decision making to improve the institutional functioning.

IQAC is headed by the Chairman, Principal of the institution with expertise members from various fields.

The quality initiatives taken by IQAC are as follows

1. Implementation of Continuous Internal Evaluation (CIE).
2. Introducing Professional Courses coaching in the campus.
3. Preparing aspiring students for civil services.
4. To establish a Skill Development Center in the campus.
5. Promoting research culture among the students (both presentations & publications).

### IIMC - INSTITUTION'S INNOVATION COUNCIL (IIMCIIC)

Ministry of Education (MoE), Govt. of India has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of MIC is to encourage, inspire and nurture the young students by supporting them to work with new ideas and transform them into prototypes while they are in informative years.

MIC has envisioned encouraging the creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

Our college is a part of IIC from the academic year 2021-22, to promote the culture of innovation through start-ups and entrepreneurship among the students. Two sessions of Impact lectures were organized on themes such as Start-ups, Innovation, Research & Development. 1 programme on "Save the Earth from Covid-19 Pandemic", as a part of Institutions Social Responsibility (ISR) was organized, as well as an FDP on "Usage of Mendeley in Research Work" was conducted. We received an appreciation certificate for conducting various activities from our cell.

During 2024-25 we have organised 16 programs.

## IIMC to Host Two-Day Multi-Disciplinary National Conference on Digital Innovations

DECCAN NEWS SERVICE  
HYDERABAD

The IIMC Degree & PG College is set to host a Two-Day Multi-Disciplinary National Conference on Digital Innovations in Arts, Social Sciences, Research, and Technology on January 9th and 10th, 2025. This prestigious event, conducted in a blended format with both in-person and virtual participation, aims to bring together renowned scholars, academicians, researchers, and students to explore the transformative impact of digital technologies on various academic fields.

The conference will be inaugurated by Prof. V. Vishwanatham, Chairman, who

will deliver the keynote address on the role of digital innovations in reshaping traditional academic practices. Alongside keynote speeches, the event will feature panel discussions and paper presentations by leading experts, focusing on the revolutionary impact of digital tools across arts, social sciences, and research methodologies.

Key Topics for the two-day conference will include themes such as "The Impact of Digital Media on Cultural Heritage Preservation" and "The Role of Big Data in Social Science Research." Presenters will showcase how digital technologies like machine learning, data analytics, and virtual reality are being

applied to address contemporary social challenges, including poverty, gender inequality, and mental health. The conference is expected to attract a diverse group of participants, including students, faculty, and researchers from across the country. The event will conclude on January 10th, with a valedictory session where certificates will be awarded to participants in recognition of their contributions. The Best Paper Presenters will be rewarded with cash prizes of Rs. 4000/-, Rs. 3000/-, and Rs. 2000/- for first, second, and third positions, respectively.

Speaking about the event, Sri K. Raghu Veer, Principal of IIMC, expressed, "The conference

aims to foster meaningful dialogue on how digital technologies are reshaping the fields of arts, social sciences, and research. It will provide a platform for scholars to collaborate and explore new opportunities in the digital era." He emphasized that the blended format of the conference would allow scholars from across the nation to engage effectively.

The Multi-Disciplinary Conference promises to be a significant academic event, offering valuable insights into the evolving role of digital innovations in various disciplines, encouraging participants to integrate these tools into their academic and professional practices.
