Do you have the forward-looking view to match ours? Deloitte Reimagine audit transformation team, part of our Audit & Assurance practice, is looking to recruit talented audit and finance professionals to underpin the growth in the team. This role is of the keys in supporting our Member Firm Client Facing Teams with the execution and delivery of our audit engagements. The work you will undertake is pivotal in supporting the business to drive through improving effectiveness in the end-to-end process. You will be working as part of a team working on distinct activities that form part of the end-to-end audit process and will be supported by experienced and highly skilled practitioners

You will be working within set processes, procedures, and guidelines of a complex nature; therefore, the role requires a high level of accuracy and attention to detail with a core focus on providing a great service. Your role will be to provide efficient, reliable and cost-effective activities in support of our audit engagement teams and to provide these at a high quality and standard. We foster a culture of continuous improvement so we will rely on you to work with your team to suggest best practice initiatives that could benefit your stakeholders and the customer. You will have the opportunity to help develop and advance both your technical and soft skills through our structured training and development plans.

Work you'll do

You will work within the team to support in providing audit and related services to member firm clients. This will involve:

- Help developing an understanding of the Deloitte Audit methodologies and tools.
- Performing selected audit activities as part of high-quality audits of financial statements.
- Discussing all significant auditing issues identified during the audit with your team leader
- Maintaining a strong client focus, and developing productive working relationships within the team
- Demonstrating professionalism, ethical conduct, and competence

You will have the opportunity to gain valuable hands-on experience working alongside with few of the leading professionals across diverse industries while building your professional skills in a variety of analytical techniques. By working with our experienced professionals, you learn how to apply analytics on a variety of projects; harness the power of data; and see the strategic benefits in the areas of audit quality, efficiency, and value. You will collaborate with individual audit engagement teams, and with client personnel to transform how we provide audit services to our clients.

You will be provided with several opportunities to help you refine and elevate your verbal and written communication skills; leadership skills demonstrating strong judgment, problem-solving, decision-making abilities; the ability to work independently and manage multiple assignments in a dynamic and team-oriented environment.
