**RESOLUTION**

After careful consideration and discussion, it is hereby resolved that:

From the current Semester onwards, the system of **Single Evaluation** shall be adopted for the assessment of Undergraduate (UG) answer scripts, in place of the existing **Double Evaluation** system, including **Supplementary** answer scripts. This decision has been taken in view of administrative efficiency, timely declaration of results, and optimal utilization of academic resources, while ensuring that the standards of evaluation are maintained through proper guidelines and moderation mechanisms.

The Examination Branch is authorized to implement this resolution with immediate effect and to issue necessary instructions to all concerned departments, evaluators, and stakeholders.
