

INDIAN INSTITUTE OF MANAGEMENT & COMMERCE

Annual Report of Faculty Development Committee for the Academic Year 2017-18

Any organisation's future depends on their faculties and who in turn depend on the knowledge, skills, expertise and motivation. Development and training is a continuous and systematic process, so Faculty Development Programme is essential to achieve organisation's major and long term goals. To promote and nourish the faculties of the college for continuous improvement of the faculty and institutional profile, FDPs are organized.

Faculty Development Committee meets at regular intervals.

Total 5 FDPs were organized by the college in this academic year concentrating on various development areas of faculties. The FDP "Methods of Teaching Accounting" focussed on the classroom dynamics of teaching accounting and the changes in the company accounts, valuation of shares, goodwill and underwriting of shares.

The FDP on classroom Dynamics thrown a light on the key elements required for effective classroom management.

MS Word provides a one stop solution to all our document development requirements. A complete training of MS Word can help to reap the full benefits of the application and create documents with immaculate quality. With hands on training of concepts, short cuts and add-ons, provides with a comprehensive understanding of the MS Word application. The two sessions on computer skill development focussed on improving the faculty usage of ICT.

An FDP on "Grow your money through Mutual Funds" focused on the parameters to be considered for selecting investments in mutual funds. Also focussed on the various avenues of investments.

Total 180 participants benefitted from the above mentioned FDPs.
