

## Literary and Cultural Committee Annual Report 2020-21

Literary and Cultural committee organized versatile programs to bring out communication skills, artistic and creative talents. This academic year witnessed the waves of pandemic which led to lockdown and events being conducted on online mode.

This was truly a fantastic experience where the entire literary and cultural team underwent some sort of virtual training to conduct the events like

1. Vasantha Panchami
2. Essay writing competition
3. Movie quiz
4. Ugadi Vedukalu
5. Mock Model United Nations

These competitions and events were conducted to explore the talent of the students in the respective art. The students shall not only excel in the academic activities, but also in Cultural and literary activities.

This in turn will augment the reputation of the institution. The main objective is to identify, encourage, develop the academic and literary skills of the students, guiding and preparing the talented students to take part in the various intercollegiate literary events.

The committee focuses on organizing various meaningful and informative literary programs
